Coffee Talk: Catholic Identity
in the Digital Age

Our Most Important Value!

Vatican documents on education identify several distinctive elements of Catholic education, including:

1. The centrality of community and importance of relationships;
 2. The presence of a rich prayer and sacramental life;
 3. The integral formation of students' minds, bodies, and spirits;
 4. The development of a Catholic understanding of the world.

Heavenly Father, you gather us together in our faith
journey

Trusting in you, we join one another as a community

A community of faith on a journey

A journey to grow ever deeper in our faith

In our Love

In our Desire to long for you

Along the way, remind us of your Love

Of your sacrifice for us

Of your ever mindful presence

Let us never lose hope along the way

Help us to be strong

Strong in Faith

Strong in Love

Strong in our Desire to be ever mindful of your
presence

For it is in your strength and Love and the Graces you
bestow upon us, that we can go out and share in your

Love and Faith with all those in our community.

It is in the name of Jesus Christ our Lord who lives and
reigns with you and the Holy Spirit one God For ever
and ever

AMEN

The Things We Hold Dear

So much of who we are in Catholic education is based on our existence as a faith-based community, where we gather together to see, hear, and be with each other in prayer.

Participation in the Sacraments, feast-day celebrations, prayer, and rituals form the basis of daily interaction and activities.

Parents are the spiritual heads of the family

You are your child's first teacher in their faith journey - you are there to baptize and guide them.

Prayer

Join a scripture study, rosary circle or other prayer group. If you don't know of any, maybe start one! Check out this Lectio Divina Resource Here: <https://blog.theprodigalfather.org/lectio-divina>
